SKILLS

- Languages: Java, C, C++, Python, JavaScript
- Frontend Technologies: React.js, HTML5, CSS3, Tailwind CSS
- Backend Technologies: Node.js, Express.js
- Databases: MongoDB, MySQL
- Tools and Platforms: Git, GitHub, Linux, Figma, Blender

EXPERIENCE

Academic Projects and Freelance Work September 2025 – Present

- Engineered React and TypeScript dashboards, increasing interface responsiveness by 30 percent.
- Implemented more than 10 REST APIs using Node.js and Express.js with secure authentication.
- Improved API performance by 25 percent through MongoDB indexing and structured query optimization.

PROJECTS

Hospital Appointment Management System [Project Link](#) January 2026

- Architected a full-stack appointment platform enabling secure online scheduling.
- Integrated JSON Web Token authentication and structured authorization mechanisms.
- Reduced database latency by 30 percent through optimized query design.

Real Time Observability Dashboard [Project Link](#) January 2026

- Built a monitoring dashboard visualizing logs and performance metrics in real time.
- Developed scalable React components using TypeScript to improve maintainability.
- Accelerated issue detection by implementing dynamic filtering and live updates.

HUSHH Wallet User Interface Prototype [Project Link](#) November 2025

- Designed a privacy-focused wallet interface incorporating structured consent workflows.
- Created high fidelity prototypes using Figma Auto Layout.
- Increased design efficiency by 60 percent through reusable component systems.

CERTIFICATES

RH 124 – Red Hat Academy [Certificate Link](#) September 2025

RH 134 – Red Hat Academy [Certificate Link](#) September 2025

Prompt Engineering with ChatGPT 4 – Infosys [Certificate Link](#) August 2025

ACHIEVEMENTS

- Secured Rank 64 on the AtCoder competitive programming platform.
- Placed among the top candidates in the Coder Hushh Entrance Examination with more than 5000 participants.

EDUCATION

Lovely Professional University Phagwara, Punjab
Bachelor of Technology in Computer Science and Engineering 2023 – Present
CGPA: 8.76

St. Joseph's Inter College Gorakhpur, Uttar Pradesh
Intermediate: 92 percent 2021

Matriculation: 85 percent 2019
